Kisserup welcomes Minh-Khoi (Kevin) Nguyen

Kevin came on board with Kisserup for a Work Placement program arranged through the Immigrant Services Association of NS (ISANS) from January to March, 2017. Kevin was selected based upon on his strong background and experience in the financial sector and in-depth knowledge of the Vietnamese market. His key role with Kisserup was to provide assistance to our team with the planning and delivery of a Trade Mission to Vietnam. Kisserup extends a huge thank you to Kevin and all the best in his future endeavours.

Increasing eco and bird tourism in Honduras

Canadian Tour Operators, Tours of Exploration, Worldwide Quest, Bird The Rock and Freedom Tours had the opportunity to interact with Honduras SMEs and to get to know first-hand what Honduras

offers and how operators actively promote the destination in their tour offerings. They were accompanied by a member of the Kisserup-Zamorano team. The goal was to promote sustainability and development in the Honduras eco-tourism and bird-based tourism. For more information: www.kisserup.com

OUTSTANDING ENTREPRENEURS - GET TO KNOW:

EcoFinca Luna del Puente is a family owned and managed Natural Reserve based in Santa Cruz de Yojoa, Honduras. Its mission is the conservation of the environment through responsible agroforestry using eco-friendly practices. The Ramos family also runs an eco-tourism operation welcoming visitors from all over the world. In the farm, tourists can spend a day birdwatching, hiking and/or enjoying chocolate, and coffee workshops.
